Professional Summary

Full-Stack Developer with expertise in React.js, Nest.js, and API development. Passionate about building scalable, high-performance web applications and optimizing system performance. Experienced in both frontend and backend development, integrating seamless API solutions, and collaborating with cross-functional teams to deliver robust software solutions.

Technical Skills

Frontend: React.js, Next.js, TypeScript, JavaScript, HTML5, CSS3, Tailwind CSS, Mantine UI, Tabler Icons

Backend: Nest.js, Node.js, RESTful APIs, API Development

Databases: PostgreSQL, MySQL, Firebase, MongoDB

Tools & Version Control: Git, Agile Methodologies, UI/UX Design, Cybersecurity Practices, Software Development, Project Management

Professional Experience

GoDigitalAfrica – Full-Stack Developer

Feb 2025 – Present | Ethiopia

- Developed and maintained high-performance web applications with full-stack technologies.
- Built and optimized RESTful APIs to improve data retrieval efficiency.
- Enhanced web performance and scalability through caching strategies and database optimization.

Herani Tech – Frontend Developer

June 2024 – January 2025

Tech Stack: React.js, Mantine UI, Tabler Icons, TypeScript, API Integration

- Led a UI/UX redesign, increasing user engagement by 30%.

- Developed reusable React.js components, reducing development time by 30%.
- Integrated RESTful APIs and collaborated with backend developers to optimize performance.

INSA (Information Network Security Agency) – Full-Stack Developer Intern

March 2023 – June 2023

Tech Stack: React.js, Nest.js, Node.js, TypeScript, API Development, Cybersecurity

- Developed *Zuret Tour*, a secure tourism web application, improving accessibility and performance.
 - Optimized API response times by 30% for a smoother user experience.
 - Implemented cybersecurity best practices for data protection.
-

Projects

- ♦ *Zuret Tour* – Built a React.js & Nest.js web application to streamline tourism services.
-

Education

BSc in Software Engineering – Debre Markos University (2020 – 2024)

 GPA: 3.69

Certifications

- ♦ Dereja.com Certification – [View Certificate](#)
-
